

**REMARKS**

**I. INTRODUCTION**

Favorable reconsideration of this application, in light of the present amendments and the following discussion, is respectfully requested. This Supplemental Amendment supplements Applicants' Amendment filed July 9, 2009.

**II. STATUS OF THE CLAIMS**

Claims 13-15 and 17-21 are pending, of which claims 13 and 18 are independent. By this amendment, claims 18 and 21 are amended (see explanations below). Please note that the listing of claims incorporates the amendments to the claims made in the July 9, 2009 Amendment. It is respectfully submitted that no new matter is added by this amendment.

**III. SUMMARY OF THE AMENDMENTS**

The specification has been amended to correct typographical and grammatical errors, and to improve the readability thereof. Independent claim 18 is amended to correct "internal combustion engine" to "heat engine" and correct "rolling pistons" to "moving pistons". Independent claim 18 is also amended to clarify that the third stage chamber is "provided with a means for heat supply for the work medium passing through the third stage chamber." Dependent claim 21 is amended to clarify that the third stage chamber is "a combustion chamber with interior combustion or a heat exchanger with external heating."

None of the amendments to the specification add new matter and all of the amendments to the claims are supported by the specification. Also, the amendments to the specification and claims are consistent with the priority document Czech Republic PV 2003-927 and international application PCT/CZ04/00015.

**IV. CONCLUSION**

Applicants respectfully request entrance of these amendments. Because the pending claims do not stand rejected under prior art, Applicants submit the application is in condition for allowance.

Please charge any shortage of fees or credit any overpayment thereof to BLANK ROME LLP, Deposit Account No. 23-2185 (124166-00101). In the event that a petition for an extension of time is required to be submitted herewith and in the event that a separate petition does not accompany this report, Applicant hereby petitions under 37 C.F.R. §1.136(a) for an extension of time for as many months as are required to render this submission timely. Any fee due is authorized above.

Respectfully submitted,
